SCORING

- Each bag on the box = 1 point
- Each bag in the hole = 3 points
- Any bags touching the ground or “bounced” onto the box do not count and are to be removed prior to the next bag being thrown by the opposing team.
- Total points for each team are calculated using only those points that were not canceled out.

Example:

- Team 1 throws 1 bag in the hole and 3 bags land on the box for a total of 6 points;
- Team 2 throws 1 bag in the hole and 2 bags land on the box for a total of 5 points;
- Then Team 1 receives 1 point for that round.

· The team who scores last will have the first throw of the next round.

· The 1st team to score 21 points or more will be declared the winner.

Depending on number of teams- each round may be limited to 10minutes with the highest score after 10 minutes taking the win.

We are limiting the event to 50 teams... So get your forms in early!
